HOW TO USE:

Following each surname are the numbers of the members searching that surname. Check the Master list for the name and address of the member.

SUBMITTING YOUR SURNAMES:

It is our intent to update the Surname File annually by December 31. The new lists will contain only those who have paid their dues for that year.

Please do not resubmit surnames already under your number. Submit only corrections, deletions and additions. Please check the list for your surnames to see if your number is present before you send in your corrections or additions.
